

An Invitation to Attend the International Thoracic Oncology Nursing Forum's **SATELLITE WORKSHOP**

Sunday 3rd July, 15:00 – 17:00

Forum Room, Ground Floor, RAI Conference Centre, Amsterdam

The International Thoracic Oncology Nursing Forum (ITONF) is delighted to present this workshop. This interactive workshop will provide an excellent opportunity for learning, sharing of knowledge as well as networking opportunities and renewal of friendships.

Nurses and Allied Health Professionals at all levels involved in the delivery of care to patients with lung cancer or mesothelioma will find this workshop stimulating and informative. Attendance will provide the opportunity to network with other nurses interested in lung cancer.

Keynote Speaker

Nora Kearney is Professor of Nursing and Cancer Care in the School of Nursing and Midwifery at the University of Dundee and the CRUK Dundee Cancer Centre where she leads research in cancer care. She is also Honorary Clinical Professor with NHS Tayside and a Visiting Professor at the University of Otago, New Zealand and University College Dublin.

Nora has a long clinical career in cancer nursing and previous academic positions at the Universities of Glasgow and Edinburgh. Nora has an established international reputation as a leader in cancer care research and she leads and collaborates on a number of multi-centre research projects in the areas of patient experience, symptom improvement in cancer care - including the use of technology - and cancer and the elderly and has published widely.

As a registered delegate for the upcoming World Conference on Lung Cancer, Amsterdam 3 – 7 July 2011, the ITONF are delighted to be able to invite you to attend our first Lung Cancer Workshop.

Notice

The ITONF will hold its first business meeting prior to this workshop where the Steering Committee positions will be nominated and assigned. If you are interested in being a representative for your Country on the ITONF Steering Committee please come to the Workshop or notify Glenda Colburn via email: glenda@lungfoundation.com.au for further information about attending the business meeting.
